CPAD #, 23, 2017-18

Memorandum

Date: October 23, 2017
 To: Council of Chairs, Principals and Academic Directors
 Coalition of Arts & Science Directors
 From: Professor Mary Pugh, Acting Vice-Dean, Undergraduate and International
 Re: **International & Indigenous Program Funding Opportunities and Fall Events**
 Cc: Undergraduate and Graduate Coordinators and Administrators

The Faculty of Arts and Science encourages as many students as possible to undertake a significant, academic-related international experience during their academic careers, and supports faculty in developing such opportunities. International opportunities include partnerships developed with Indigenous nations both within Canadian borders and beyond.

To allow as much planning time as possible, the table below summarizes requests for proposals for A&S international-related programs. Please circulate this memo to faculty members and students within your units and encourage them to attend the events listed on the second page for further information.

For program proposal forms and information on our fall events, please see the chart below, the International Programs and Partnerships website: <http://www.artsci.utoronto.ca/international-programs> or contact fas.international@utoronto.ca or 416-978-0284.

Program	Due Date	Eligible to apply	Proposal [submitted through units]	Purpose
Dean's Fund for International and Indigenous Initiatives	Nov. 24	Faculty, Graduate and Undergraduate students ¹	4 page proposal (including itinerary and budget)	Expand opportunities for Arts and Science students with faculty supervision.
Research Excursion Programs (REP/399)	Nov. 24	Faculty members only	4 pages (including itinerary and budget)	Students participate in faculty research projects off-campus.
Undergraduate Research Fund	Nov. 24 & Mar. 2	Undergraduate students	4 page application form (including faculty supervisor statement)	Supports student research related to student's degree.

SELECT Languages for Research Purposes ²	Jan. 19	Graduate students	4-8 page proposal (including transcripts)	Study of languages not regularly taught at UofT.
Summer Abroad courses (Summer 2018)	March 15	Faculty members only	Please see Summer Abroad website	Teach a UofT course overseas.
International/ Indigenous Course Module (ICM)	March 15	Faculty and Undergraduate students	4 pages (including itinerary and budget)	Incorporate an international or Indigenous module into an existing undergraduate course.

¹ For projects supervising undergraduates, faculty members must hold undergraduate appointments within FAS; for projects supervising graduate students, faculty members must hold an appointment at a tri-campus graduate unit or an FAS graduate unit.

² SELECT stands for: Study Elsewhere of Less Commonly Taught (Languages for Research Purposes); formerly known as Study Elsewhere LCTL (Less Commonly Taught Languages). Please note that there is only one round of competition for this year

Fall term information events

Information about A&S international opportunities, as well as opportunities to ask questions of faculty, staff and students with experience of these international programs, are available throughout the Fall term.

Information Session: International and Indigenous Programs in the Faculty of Arts & Science

Date: TBA. Notifications will be sent to all CPAD members and International Liaisons once confirmed.

For those who would like to learn more about international programs and funding available to Arts & Science faculty members for international and Indigenous initiatives. The session will cover the programs listed above as well as a general overview of student exchanges and Summer Abroad programs. Faculty and staff are welcome to attend. Please register for this session by sending your name and unit to: fas.international@utoronto.ca.

Summer Abroad and Science Abroad Information Sessions

Site-specific information sessions take place throughout the month of January and the first week of February. The sessions cover details related to the application process, financial assistance, and on-site facilities and support. Course instructors and past participants are in attendance to answer students' questions. Prospective students are encouraged to check the Summer Abroad website at www.summerabroad.utoronto.ca for dates and times.
