Apply for the 6th HLF!

Online application: November 6, 2017 until February 9, 2018

- Mathematics and computer science in one symposium
- Meet your scientific role models face to face
- Advance your scientific career
- Travel grants available
- Lodging and board provided

“The best professional experience of my life. I thought that receiving my PhD was the most ultimate event and highlight, but the HLF tops even that.”
Young researcher at HLF 2016

The Heidelberg Laureate Forum (HLF) annually connects promising young researchers in mathematics and computer science with the top scientists in their fields. For one week in late summer, the Heidelberg Laureate Forum Foundation (HLFF) invites the recipients of the Abel Prize, the ACM A.M. Turing Award, the ACM Prize in Computing, the Fields Medal, and the Nevanlinna Prize to join 200 carefully selected young researchers.

Apply for the 6th HLF!

Online application: **November 6, 2017 until February 9, 2018** (midnight at the date line)

The Heidelberg Laureate Forum (HLF) annually connects promising young researchers in mathematics and computer science with the top scientists in their fields. For one week in late summer, the Heidelberg Laureate Forum Foundation (HLFF) invites the recipients of the Abel Prize, the ACM A.M. Turing Award, the ACM Prize in Computing, the Fields Medal, and the Nevanlinna Prize to join 200 carefully selected young researchers. The HLF’s focus is to provide an informal atmosphere where the most accomplished minds of mathematics and computer science thoroughly interact with the brightest minds of the next generation.

---

**Who can apply?**

• Undergraduates  
• PhD Candidates  
• Postdocs  

in mathematics and computer science

**Where can I apply?**

Applications for the Forum can only be submitted via the online application tool!  
[application.heidelberg-laureate-forum.org](http://application.heidelberg-laureate-forum.org)

**What do I need?**

• **Required Documentation in all Categories:**  
  CV; statement of purpose; awards, other scientific achievements (if any); letter of recommendation (1-3).  

• **Additional Information from PhD Candidates:**  
  Short summary of thesis topic; transcripts; publications (if any).  

• **Additional Information from Postdocs:**  
  Short summary of thesis topic; publications.

**Selection**

• International reviewers from mathematics and computer science.  
• Scientific Committee makes the final selection of 200 participants.

**Costs**

• Travel costs only  
• Lodging and board provided  
• Travel grants available: If participants cannot obtain financial support from their home institutions or agencies, they may request travel funding from the HLFF.

**E-Mail Notification**

All applicants will be notified via e-mail by the end of April 2018 at the latest.  
**Invitation:** Successful applicants will be invited to participate at the 6th HLF.  
**Rejection:** The number of places for the HLF is limited. Young researchers are welcome to apply again for the next HLF.

**Meeting Venue**

Heidelberg has a long academic tradition as the oldest university town in Germany, and is the perfect place to host the HLF.

**Event Language**

English

**FAQ**
