Dr. David Chu Program in Asia-Pacific Studies

IMAGING THE ASIA-PACIFIC 2017-2018 PHOTO CONTEST

The Dr. David Chu Program in Asia-Pacific Studies at the Asian Institute at the Munk School of Global Affairs seeks photographic representations of the Asia-Pacific (East Asia, Southeast Asia, and the Pacific) that incite us to imagine the region from unique perspectives. The photos may have been taken in any location within or outside the region (including Toronto). The judges are seeking photographs of high artistic quality that offer thought provoking images, including those that may be highly abstract. All entries will be considered for prizes as well as displayed on the Chu Program's website and promotional materials. The first prize photo will be displayed at the Asian Institute.
