

MAA Seaway Section Fall Meeting

October 12 – 13, 2018

University of Toronto Mississauga

Dror Bar-Natan,
University of Toronto

*My Favourite First-Year
Analysis Theorem*

Jeffrey Rosenthal,
University of Toronto

*From Monte Carlo to
Markov Chains*

Brian Forrest,
Waterloo University

*The Role of
“Assessment” in
Teaching Online
Mathematics Courses*

John Mighton,
Fields Institute at the
University of Toronto

*Extreme equality:
Using research to close
the achievement gap in
math*

Online Registration Deadline:
Oct. 5

Friday Workshop: Principles of effective practice

(John Mighton, Fields Institute at the Univ. of Toronto)

Friday Night Game Show

(hosted by Blair Madore, SUNY Potsdam)

Saturday Workshop on Leadership in the Mathematical Sciences

(organized by Mihail Barbosu, RIT)

Saturday Evening IBL Special Session

(Ryan Gantner, St. John Fisher College)

**GradStudent / PostDoc Travel
Funding Deadline: Sept. 1**

Provided by the Fields Institute for
Research in Mathematical
Science.

Contributed Talks:

Send titles and abstracts to Marlo
Brown at mbrown@niagara.edu by
September 16, 2018

Conference Hotel:

Glenerin Inn & Spa (877)991-9971
Reserve by Sept. 12.

Student Talks:

Send titles and abstracts to Keiko
Dow at mailto:dowk@dyc.edu by
September 23, 2018
